ABOUT US

Introduction:

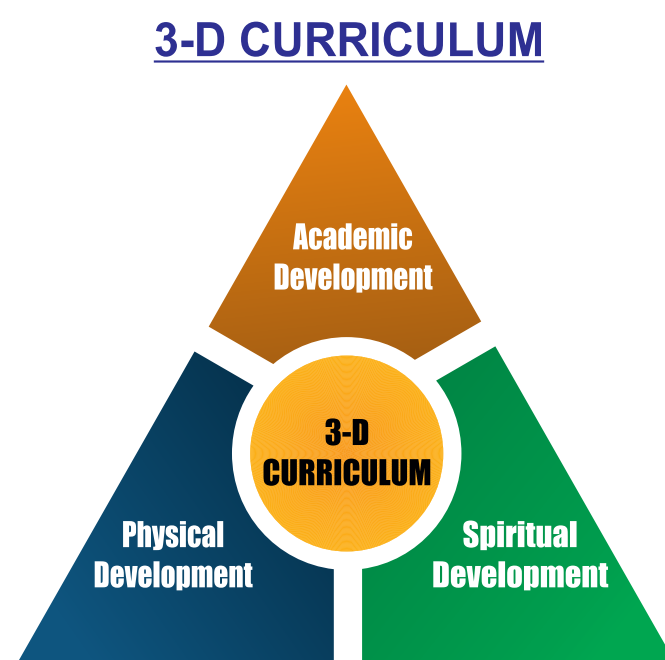

- At “Career Academy” every child is gifted. We strive to create a learning environment which challenge students for rigorous Academic Performance, Co-curricular Participation, leading them to well-rounded personalities prepared to thrive in twenty-first century.

Vision

- At Career Academy, we inspire success, confidence and hope in each student.
- Provide flexible and positive learning experience by balancing academic rigour with liberal arts so as to create open minded, global citizens of the world who celebrate diversity.
- To instill the 21st century skills of critical thinking, collaboration, creativity and communication through our flexible & adaptive curriculum to meet the diverse needs of modern learners.
- STEM education is an important part of curriculum.

Mission

- At Career Academy, we are committed for optimal academic and personal potential in the students by providing a safe, nurturing, supportive family-like learning environment, where the students become accountable, productive and ethical citizens with the skills to think in innovative way, reason critically, communicate effectively and respect people of other cultures, through our newly introduced 3-D curriculum.

Academic Development

“Academic education is the most powerful weapon which you can use to change the world” – Nelson Mandela.

- Academic is based on the three **Rs: reading, writing and arithmetic**
Here 3 Rs - are beyond academic books.

Physical Development

“Healthy mind can only live in a healthy body”.

- Physical development includes developing motor skills, athletic body, developing sportsmanship spirit, group behavior, physical & mental health.

Spiritual Development

“By spiritual training I mean education of the heart”. Mahatma Gandhi.

- Spiritual education means developing gratitude, love, respect, empathy, honesty, learning to forgive, having peace with oneself and living a conscious life.
